

Hellooooo STAA family and friends!

Oct. 9th, 2011

We do many events at the high school, and complain each time how heavy and broken the tables are. Well I say it's time to make a change. Let's dust off those spider webs on the ol' STAA High School tables and replace new ones.

I would like to buy 25 - 8ft , heavy duty American made tables (priced around \$80.00) and possibly add 20- 6ft round tables (\$70.00) in the future.

Chairs will be next!!

This October, November, and December I'll be selling *home* baked cookies and cupcakes. I will personally deliver them to your school class rooms, work, or home.

Please take a look and see if I can lighten your load this month and create your spooky treats for your goblins.

One dozen of Frosted sugar cookies , one dozen Cupcakes, or One giant frosted sugar cookie with spider web, ghost, or personalized name for design \$15.00

Please give me a call or email me if you can use my services and help the school in return. I can create other options as well but this gives you an idea what I do. Check out my facebook and see if any cake pics interest you. ☺

Thank You for your time,

Tammy Bulin #715-732-1268 or tbulin@centurytel.net
