Since 1952, International Fellowship, Inc., a non-profit organization, has been successfully exchanging students to and from the United States. Families in this area are invited to reach across the borders and host a high school aged exchange student for the semester or the academic year. Please check out our website for more information and students who are available at: www.internationalfellowship.org

The students come with their own spending money and are covered by health/accident insurance. All that is required of a host family is to provide room, board, laundry facilities and some tender loving care.

You can be Married, Single, Have Kids, No Kids—even Grandparents can apply!

We are currently Seeking Families.

It's never too early or too late to start thinking about hosting!
