

Cayen Family Scholarship

The Cayen Family Scholarship was created and funded December 2013 by Donald Cayen. Mr. Cayen wishes to establish this scholarship through the Foundation as a legacy to honor and commemorate the lives of William, Ann, and Jean Cayen, siblings of Donald Cayen, who together with Donald attended Our Lady of Lourdes School from 1950 – 1953.

The scholarship will be the amount of the yearly income from the donation. It is to be awarded yearly to a Catholic male student entering ninth grade at St. Thomas Aquinas Academy. The Marinette Catholic Central Foundation will have the discretion on a case-by-case basis whether or not to re-award the scholarship to the same person in subsequent years as he advances through high school, or to award the scholarship to a new incoming ninth grade boy, or possibly to split the scholarship between the two persons.

The primary criterion of the scholarship is financial need, with secondary criteria to be out-of-school activities and good citizenship as demonstrated in his grade school years. The candidate should be someone who is eager to learn, helpful to others, and with a strong commitment to his studies.

Application forms are available in the school offices of St. Thomas Aquinas Academy, Menominee Catholic Central and Trinity Lutheran or on the school's website: www.thomas-aquinas.org. The forms can be sent electronically to: cayenfamilyscholarship@gmail.com
